Subject: RE: Haystack No. 1 AUM Access Coordination Progress Update

Good morning:

I won't be able to participate on the BNSF Conference call tomorrow, I will be in the field with USEPA and Contractors. I am still working on logistic for the Homesite application process. I have been in contact with **Ex. 6 Personal Privacy (PP)** and they have turned in their homesite applications. The next step is to take Bobby Delgarito, Grazing Official to the proposed new homesite and have him GPS the site and **Ex. 6 Personal Privacy (PP)** can take the coordinates to BIA Homesite office.

My questions is how are all these applications process going to be paid for, is BNSF going to pay for all application fees. I know that **Ex. 6 Personal Privacy (PP)**

Thank you, Vivian
